Births and Deaths—Fees for the Registration of. (Chap. 385, Act Apr. 26, 1915.)

SECTION 1. Section 390¹ of chapter 49 of the laws of 1909, entitled "An act in relation to the public health, constituting chapter 45 of the consolidated laws," as added by chapter 619 of the laws of 1913, is hereby amended to read as follows:

"SEC. 390. *Fees of registrar for the prompt and correct return and filing of birth and death certificates.*—Except as hereinbefore otherwise provided each registrar and each physician shall be paid the sum of 25 cents for each birth certificate properly and completely made out and registered and each death certificate properly and completely made out in accordance with the international list of causes of death and returned and filed with the registrar and correctly recorded and promptly returned by him to the State commissioner of health, as required by this act. And in case no births or no deaths were registered during any month, the local registrar shall be entitled to be paid the sum of 25 cents for each report to that effect, but only if such report be made promptly as required by this act. All amounts payable to the local registrar under the provisions of this article shall be paid by the municipality comprising the registration district, upon certification by the State commissioner of health, and all amounts payable to physicians shall be certified to by the local registrar annually and paid to said physicians by said municipality. The State commissioner of health shall annually certify to the municipality the number of births and deaths properly registered, with the name of the local registrar and the amount due him at the rate fixed herein."

Health Laws and Regulations—Penalty for Violation of. (Chap. 384, Act Apr. 26, 1915.)

SECTION 1. Chapter 49 of the laws of 1909, entitled "An act in relation to the public health, constituting chapter 45 of the consolidated laws," is hereby amended by adding at the end of article 2 a new section, to be section 17, to read as follows:

"SEC. 17. *Violations of health laws or regulations.*—Any person violating, disobeying, or disregarding the terms of any lawful notice, order, or regulation prescribed by the State commissioner of health or by the sanitary code, or any provision of the public health law or sanitary code, for which a civil penalty is not otherwise expressly prescribed by law, shall be liable to the people of the State for a civil penalty of not to exceed \$50 for every such violation. Nothing in this section contained shall be construed to alter or repeal any existing provision of law declaring such violations or any of them misdemeanors or felonies or prescribing the penalty therefor."
